JUDGE KYLE SILENT.

MONTGOMERY, Ala., March 1.-Judge

Best Market Features, Led in the Rise, While Railroads Made Fair Showing.

There was a better tone to stocks in movement enlivened matters and sent prices to the best level of the day, gains being made all around.

New York Central and Sugar.

London houses were sellers around the room during the initial hour, but later they took stocks back quite generally. New York Central and American Sugar were the leaders of the lis throughout the session, the former self-ing up almost 8 per cent., while the latter was advanced 2 1-2 points on e

Louisville & Nashville held a prom inent position, the price advancing more than 2 per cent.

Missouri Pacific St. Paul and Canadian Pacific were well absorbed, they advancing from 1-4 to almost 1 per cent. Bris ruled at top figures under the end of the common which enjoyed a dee of about 1 1-2 per cent.

Colorada Fuel and Iron, and the United States Steel were prominent.

Metropolitan Street Railway and Brooklyn Rapid Transit were the only important issues of the traction group. each selling w about 1 point. Bonds were in fair demand. The total sales of stocks were 1,091,800 shares and of bonds \$3,464,000.

DELAYS THEIR SALARIES.

ment Employees.

Because the Senate's intention is to include in the General Deficiency bill rent for the old Custom-House due to the City National Bank and which is epposed by the House, more than 1,000 employees of the Government are likely to have their salaries held up for some

Owing to the failure of Congress to pass the General Deficiency bill most of the Government employees at the Public Stores have not been paid for the second half of February.

Weckerling Brewery, part of the New Orleans Association brewing plant, was destroyed by fire early to-day. The cause is mysterious, some saying was due to an explosion. The loss

in the city. The only windows of the court-room look directly into the upper to windows of this school.

Clerk Napoleon Kiein said that the fair of the court-room had made his life miserable and caused him to become a confirmed invalid. He said that he could point to at least three policemen who had lost their lives from exposure to its noxious gases, and many other people who had suffered a severe lilness from the same cause.
